AS TIME GOES BY

AS WE GO THRU TIME, WE
 SEE SO MANY NEW THINGS;
 AS TIME GOES BY,
 WE FIND OURSELVES.

WE'RE OLDER BY FAR
 CATCH A STAR, PARADE IN
 NEWER STYLES, ADORE
 HOMECOMING IN REUNION.

WE SEEK UNDERSTANDING,
 GLEAN ON OLDER TIMES
 WHEN OIL LAMPS, A
 BLESSING, A STANDBY,
 NOW, WE READ BY
 ELECTRON, GASLIGHT BY
 GONE.

OUR TIME WELL SPENT,
 FOUR YEARS ENRICHED,
 ALMOST HALF AN ERA, WE
 KNOW IN MEDITATION,
 WE WILL SEE A NEW
 ADVENTURE.

WE'RE GLAD WE STRIDE IN
 THE TWENTIETH CENTURY,
 THO OUR FASHIONS THE
 EARLY NINETIES, HOW
 TEMPTING OUR VISION,
 WE'RE INTO SPACE YIELD
 TO 2000.

IN OUR DREAMS WE OFTEN
 WALK BY OUR ALMA
 MATER, PROUDLY TO SEE
 HER ADORNED IN GLASS,
 NOTE THE REFLECTIONS OF
 THE SUN.

SENIOR CLASS OFFICERS

PRESIDENT: Ken Yarnes

VICE-PRESIDENT: Leonard Gastelum

SOCIAL CHAIRPERSON: Pam Lumpkin

We've made it . . . Can you believe it? We've finally reached the end of our reign at Whittier High. Our four years are over and what a relief! But, when you come right down to it, it has been a part of our life which will always be remembered and cherished. It's a part of our life where we have grown physically (so to speak) and emotionally. We have to make the best of what we gained here at Whittier as we step out into the real world.

As a result, we will be leaving behind us the unity which the class of 1983 has built up, and we'll be going on our separate ways. I hope that those separate ways bring much success and happiness. But, before I finish, I want to thank the class officers and the class council for all of their support given through out this terrific year. Lastly, I want to thank you, the class of 1983, for being what you are.

Sincerely,
Ken Yarnes

While sitting down to write this paragraph or two, a great deal of thoughts went through my mind. I started remembering the smallest of happenings during our first years at this school and went on to think of our many accomplishments. As a freshman, I remember walking through the halls and being convinced that a monstrous senior was going to toss me into a trash can. Dread! During the 80'-81' school year, I can remember all of the excitement of having a movie filmed at our school. Our junior year, we had both a varsity baseball and waterpolo team nearly make it to CIF finals. And this year, so many things happened. I remember a lot of little things such as the Halloween dress up day, the Marshmallow fight, Philanthropic week, the Prom and so much more! It's really amazing how many things can be wrapped up into four years. Everyone has gone through many changes, both physical and emotional, and we're still growing. Whittier High School has helped prepare us for our future lives and problems that will come upon us and for this we will be forever in debt. I am very proud of our school and students and sincerely hope that the student body has the same feeling. As the student body of Whittier High School, we should feel great about ourselves. We've done a whole lot and will continue to do more. I'm honored to have been a part of this institution and I thank you all.

May all your lives be the happiest and most fulfilling possible.

The Cardinal and White staff has the unique responsibility to report with clarity and objectivity the events of the campus. Faced with budget cuts this year, the staff concentrated on quality instead of quantity, and made tremendous improvements with every successive issue. The sometimes controversial, the sometimes entertaining C&W sought to enlighten the students, and make school more bearable.

BOYS' STATE

I attended the Boys State camp at Cal State University Sacramento. Boys' State is sponsored by the American Legion. The program is designed to enrich selected boys about our state and national governments. This is done by the running of a mock government including cities, counties, and two parties. I was a city police chief and a county baliff. Boy Staters attended meetings, lectures, and engaged in athletics. Many boys still stay in contact after Boys' State, for it was an easy place to make good friends.

Brad Kiefer

The 1982 session of Boys' State was held at the Cal State University of Sacramento the week after school got out. It gave the participants a chance to learn about our city, county, and state governments. We learned about all the voting procedures, and the steps the candidates go through in order to run for offices. We also had a chance to participate in political parties and how a person is actually chosen to represent that party.

This was an experience that I will remember for the rest of my life. I was glad to represent the Whittier High Cardinals.

Jeff Mericle

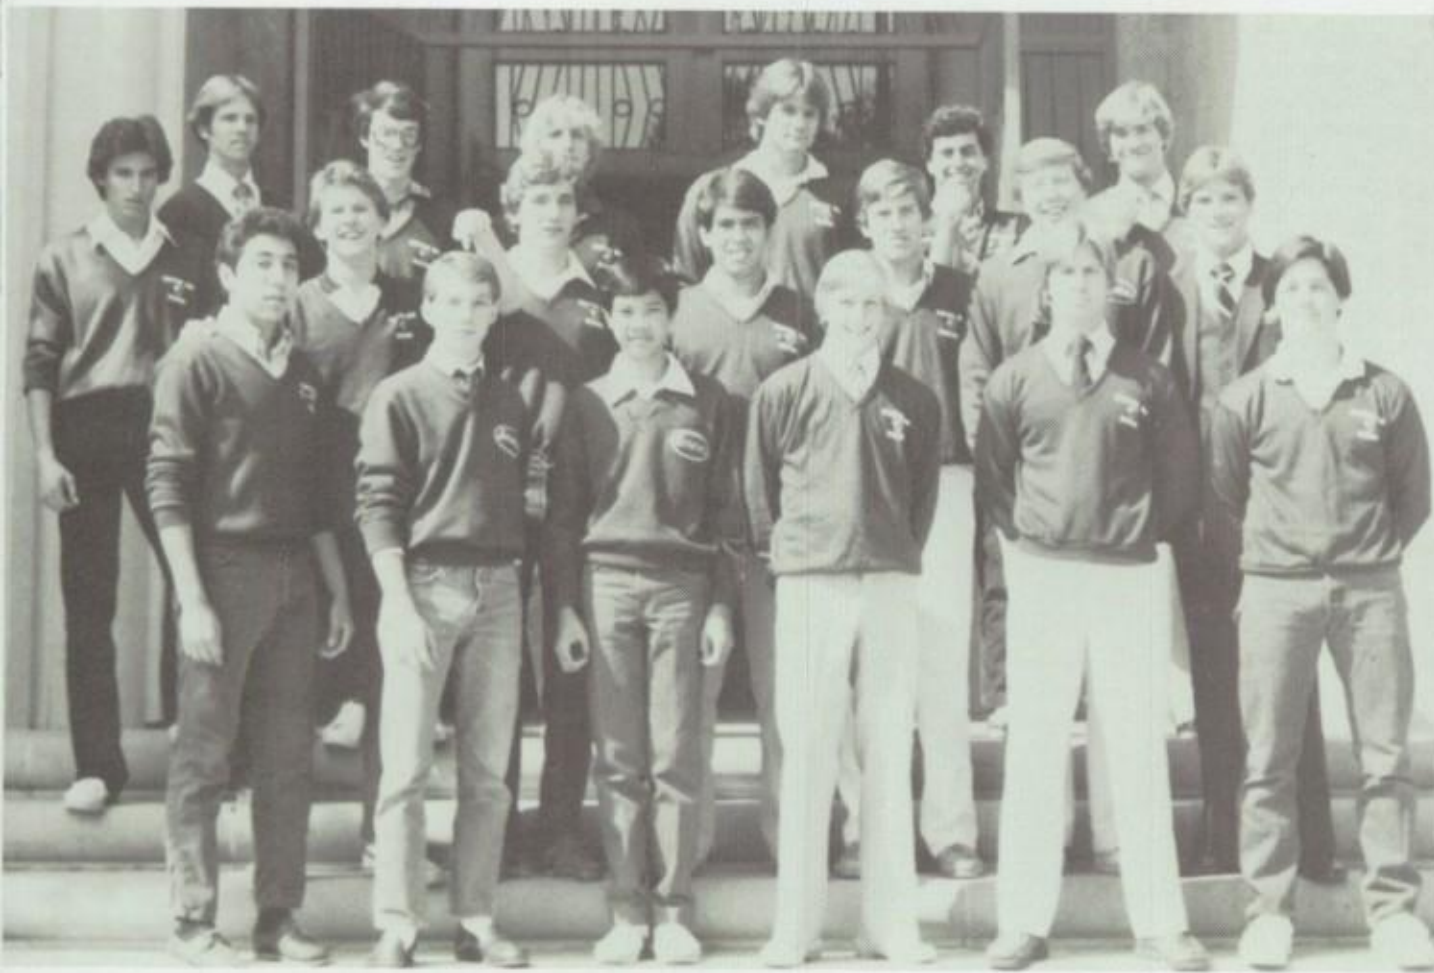

GIRLS' STATE

I was the Whittier High 1982-83 Girls' State representative. I spent 8 days in Sacramento forming a mock government for the state of California. Though I entered the campus of Sacramento State not knowing more than a few people, I left with many new friends. I have kept in touch with many of the Girl Staters and have already had a reunion. Being Whittier's Girl State representative gave me a chance of a lifetime. I would really like to encourage everyone to strive for this wonderful experience.

JUNIORS

Dear Juniors,

As I reflect on the past year, I realize how fortunate I was to be an active part of W.H.S. and its traditions. The all-around talented Class of '84, no doubt has contributed to these traditions, and has already made themselves known.

I would like to take this opportunity to thank our spirited and enthusiastic council, and the other Junior Class Officers, Patty, Marlon, and Jeanne. I would also like to give a special thanks to our advisors, Mr. Seifried, Mr. Humphrey, and our prom advisor, Mrs. Copsey. Without them we would not have the memorable prom and year in which we did.

In conclusion, I'd like to once again thank the Junior Class for giving me the opportunity to be your president. It was a great honor that I'll never forget!!

Sincerely,

* STUDENT HAS COMPLETED 3 YEARS OF HIGH SCHOOL, BUT DOES NOT HAVE SUFFICIENT CREDITS FOR JUNIOR STATUS.

MY FEELINGS TOWARD MY

My junior year was very exciting and school was very demanding, but I think I can handle it. What is the purpose of this survey?

Raul Almada

Full of enthusiasm! It's really fun to see my favorite movie characters portrayed by my teachers. The lady from "Poltergeist" played by Mrs. Klessig, "E.T." played by Mr. Crow, and "Patton" played by Mr. Spain. I hope everyone has had as much laughter as I had!

Kari Aloyian

It has been a real cool year. I've stayed out later than ever and partied more, but overall, this has been a *!!?#& hard year!!!

Doris Ando

I have found this year to be very challenging as well as rewarding. My classes were very difficult, but has taught me a great deal.

Matilde Antillon

I love it, I can't wait till college!

Marcus Arnold

Passing all my classes and preparing myself for my senior year. May God bless you all!

Anita Avina

I can't wait until my senior year so I can graduate.

Mike Barbee

Okay. Going to girls league and preparing to go to my senior year and college were my highlights.

Tina Bilyeu

My junior year was really hard but I felt I got the most of it. Also, this year was the best one and the funnest, because, we were finally upper-classwomen.

Nathalie Boulighine

Mixed up ones. Junior year is a time for breaking down and studying, but also I want to have a fun time.

Cesar R. Buenaflor

To meet and get along with new people. Make up my credits and be as nice as I can to all the women.

Ivan Busch

Great, because, I had really en-

joyed my Junior year. We had got to get to do a lot more things like drive and go to the prom

Cindy Burgess

My Junior year was *IFESTIVE!*I

Susan Calvillo

Meow, Meow-I crave tuna, I crave milk, I crave chicken, so . . . , I crave, crave. (and W.H.S.) chow, chow, chow!

Samantha Cat

This year was off to a very boring start.

Ray Casillas

Great, because the class of 84 is mighty and will not be defeated!

Michelle Centeno

My junior year is a time to think and get your act together. It's a time to plan your life and what to do. I really treasure it, a time where you can sit and relax and brainstorm about the future.

Jeanne Conley

HMMMMMM!

Chris Daugherty

It was a pretty tough year as far as classes go, but with extra-curricular activities, it was fun. Organizing the Prom was the highlight of my junior year. All in all it was a fun but demanding year.

Grace Delgado

I feel my junior year was very

special because it was unique. It's a year that I will never forget because I knew it would be just the way I thought it would be.

Irma Dominguez

To get through it.

Miguel Dominguez

This was my hardest year. I had my hardest classes and the most homework. But it was a enjoyable year.

George Drimilis

I hoped it went by fast, and I hoped it was better than last year.

Erik Van Dyke

Happy, fun, and scary, because my high school years are getting closer to the end!

Paula Esparza

My junior year was really special because I spent it with somebody I really like and I had an awesome year in wrestling.

David A. Estopellan

They were good, I really liked the way this school is. Being a junior here is a good feeling.

Erika Flores

Really Great! I went to the Doo Dah Parade with the official BRH whac-a-mole band. I also had fun in the activities at school.

Jeffrey Flores

It was a cool year for the class of "84."

Rory Flynn

I had a better year than last year with my friends Rick and Jim. This year I'm constantly staying in shape by lifting weights and playing basketball.

Art Fortt

Whatever happened happened!

Sandra Frausto

This has been the year when I did the most changing and growing. I look forward to the fun and the time I will call myself a Senior.

Julie Fulkerson

"Key" because I have only one more year to go before I can go and live the good life at college. I

JUNIOR YEAR . . .

am glad to have been involved in sports this year.

Doug Gallasch

Only one more year to go. Where has all the time gone?

Annette S. Garcia

This has been better than my sophomore year, but that doesn't say much.

G. Garcia

I feel this year has been great. Most of all I will miss my boyfriend Sean Kelly when he graduates.

Donna Garvey

Just to pass my classes and get my credit.

Steve Goodman

I think this year was pretty great. I had a lot more homework, but at least I could look forward to the Prom and graduating.

Cindy Graybill

Very exciting and encouraging. This year was filled with a lot of interesting and crazy activities. It was also difficult in my studies and social life.

Mimi Gummert

Terrific. I feel that this year was a great year, because we had more privileges and were able to go to the Prom. Then, in one more year we can graduate.

Jeffery Hall

Great! But my Senior year will be the best year, but I'm glad I'm finally a Junior.

Lisa Hamilton

BOGUS.

David Hardie

It sure was a changing year, like I heard it would be, but it all turned out for the better and became a wild and scrumpshes year.

Becky Hedrick

It was better than being a freshman. I have good feelings because we got to plan an awesome Prom.

Janet Henke

This has been a good year and next year we are going to be Big, Bad, Seniors and another year of

Bofa and Tony Brown.

Javier Hernandez

To make the best of it and look forward to my Senior year when it will really be fun; our last year.

Lucy Hovaguimian

Supreme!! Because of Bo, the Wesso Club, Tony Brown, my new truck, my insurance company and annual staff was the best this year because I was co-assistant editor. And if you don't like it, Get over it!

Gary Huerta

I think it was a good year. I can't believe it came so fast. Our Prom was the best ever, and I'll miss my senior friends when they graduate.

Penny Illarreguy

More to the positive side. While being an upper classman, I found I actually had a fun year! And I know the class of "84" made it a good year!!

Janet M. Inda

Great! I loved every minute of my Junior year, because I'm an upper-classman now and that feeling is awesome.

Melody Irwin

It's been great, but I think my senior year will be even better.

Katrina Jahn

My classes were a lot harder than last year but I was more involved in activities so it made up for it. This year has been O.K., but could have been better.

Julie Joslin

I loved my Junior year because I spent it with a very special person.

Tammy Kermoian

That I only have one more year left after this and maybe the class of "84" can bring some excitement back to this place.

Cheryl Kinnaman

I can't wait for my Senior year to get started, so I can graduate.

Liz Kumas

My Junior year has been very special for me. Not only have I been lucky enough to share it

with my friends at school, but with someone I really love.

Rochelle Landry

It was very hard and kind of boring!

Marina Leyvas

This year has been the hardest year so far, but it's been fun.

Christine Lopez

It got off to a good start. I did a lot more things and the class of "84" seemed to have a lot more privileges.

Artemia Manresa

To make it through the years.

Mark Martinez

HONK HONK HONK, HONK HONK HONK HONK HONK

Harpo Marx

One more year until I'm a Senior.

Maureen McDermott

I've worked hard in earning good grades in all of my classes for a good grade point average.

Ken McGinnis

It was hard academically but no fun socially!

Marion McNees

Okay, but it could have been better if "84" had more spirit. But I'm whipped over someone so I'll survive!

Mary Esther Medina

Different stokes for different folks.

Jack Mehauf

Golly-Gee

Jill Melkonian

There's too many dead heads at this school. I love Led Zeppelin. Everyone lives in the past.

Bill Mendoza

This has been a whipped year for me. My biggest thrill was that I saw Him on T.V.

Andria Mladenavich

Great! Being a part of the Junior Class Council, the Cardinal & White and the Finance Committee has made my Junior year my best year at Whittier High School.

David F. Moiseiff

Hi!
I'm really
glad we've become
friends & acquaintances.
which may be. I'd like
to get to know you better.
I'm afraid I do
come over you like I do
but I think you'll get
me off my back. I'll get
to Robby. So if you
are like I am in the
good (but only if you
get every thing
you want out of
life. Bye

SOPHOMORES

SOPHOMORE CLASS OFFICERS

President: Anthony Villegas

I really enjoyed being the sophomore class president for the 82-83 school year.

We really worked hard this year on fund raiser's because we were really short of cash.

The class of "85" has shown it's great spirit and pride, and will continue to show it in the future to prove, (We don't have to prove it because we know it.) that the class of "85" is the BEST Whittier High has ever had. Overall, it's been a great year and I'm sure that you are as proud as I am to be part of the class of "85".

Have a great summer and see you next year.

Thank you,
Anthony Villegas

Remember when: We went to camp and had our first competition ... All the dippity-doo we used ... The practices at 3:00 a.m. and then we got in trouble ... Carolyn crawling for her flag ... Patty trembling before our performance ... Our Hardest-Working Trophy ... Donna's songs on her tape ... The shapely ice cream of Robin's ... water fights late at nite ... Cathy was stuck with only a towel outside her room ... Two cripples on the squad ... Unique tosses Valerie used at the games ... Remember all the bumps and bruises from hitting ourselves and each other ... and we'll never forget our first year as flagsters and best of all making 5 new friends!

Whittier High has succeeded in keeping up its tradition of cheerleading excellence-the proof is our 82-83 Varsity Yell Leaders. Standing out in unique red uniforms, this year's squad worked towards supporting all athletic events and promoting Cardinal spirit at all of them. Competitiveness and style were what our yell leaders put most of their emphasis on this year, and they attracted much attention at various competitions and Varsity games throughout the year. It just goes to show that when the crowd is calling for some perfection, the red and white still has the might!

RED BIRDS

REMEMBER WHEN: We found out we made it ... Victory celebrations ... We hid from Mrs. M's kids ... We made bird heads ... The alumni of the Class of '72 thought we were from their Class ... We met Phil, the Valet at the Mariot Hotel ... Monica took Nina into Baskin Robin's and wouldn't let her talk ... Mr. Palas wouldn't let us march in parades ... Rocio and Carol suddenly realized the car was in back of the Drill Team bus before their heads were on ... We had the time of our lives.

We want to thank Mrs. Manassee and Mrs. Rios for their help on costumes and Nina and Ruthie for being alternates.

THEY CALL
ME BRUCE

MRS. SUSAN COPSEY

She has been given many titles at Whittier High: Mrs. Social Chairperson, the Queen of the South Side, Madam Vice-President, and by many students, "Mom." She runs a neat orderly shop and insists that students work arduously to produce and learn. She is the kind of lady students want to do their best for, and is living proof that good things can come in small packages. There was no doubt, as proven, that she was also mighty in her very first day of class. To the faculty of the south side of the Whittier campus, she is the stabilizing influence that makes the male teachers remember they are gentlemen, and she lends a soft hand when things seem rough. She is one of the teachers that students don't ever forget, and do come back to visit. Her students learn to love the subject she teaches and want to continue and grow with this lady. She is a persistent planner, a builder, a provider, a watchdog, an inspiration, and an angel. It would be impossible to imagine a Whittier High School without a Sue Copsey.

TWO SPECIAL PEOPLE

MRS. LORRAINE SAWYER

Sometimes the best man for the job is a woman, but that does not mean that the woman can't be a lady. Calm, efficient, deliberate, organized, dedicated, concerned, and honest . . . all these are words that can best applied to Lorraine Sawyer. Along with her skills, there is also the lovely person . . . The wife, hostess, homemaker, and friend.

A Whittier High School graduate, she has carried her concern for the rights and appreciation of girls into her teaching career. She has been advisor and promoter of Girl's League and Hi-Jinx. Some of the best girls memories many girls carry away from Whittier High have been a direct result of her dedication to excellence.

As a teacher, she is responsible for giving many students an excellent start in business. She has run the Business Dept. with order, purpose, and fairness. She has an administration credential in education and has served as an interim assistant principal with her sure steady hand. What a wonderful thing to have a Lorraine Sawyer at our school and in our lives.

THE TEACHERS

PRINCIPAL MS. MICHELE LAWRENCE

As you leave Whittier High School you take with you a small part of all of us. We will now become part of your past, you are now part of our future. You will become a member of the population that has the responsibility to determine where our country will go and what it will become. I believe the future of America rest on three basic principles: Education, Mutual Respect, and Love. You have had the opportunity for a good education, we have tried to teach you respect, so now, and for always, I wish you love.

Someone

Special

Abel,

I wish you weren't leaving!
You're such a nice guy. Thanks
for picking me up when I was
kind of "un-parked." You really
made my day when you asked
what was up. I felt cared for.
I'll miss you!

Take care and
Best of luck to you!
Love ya' pal!

K.I.T.

Molly

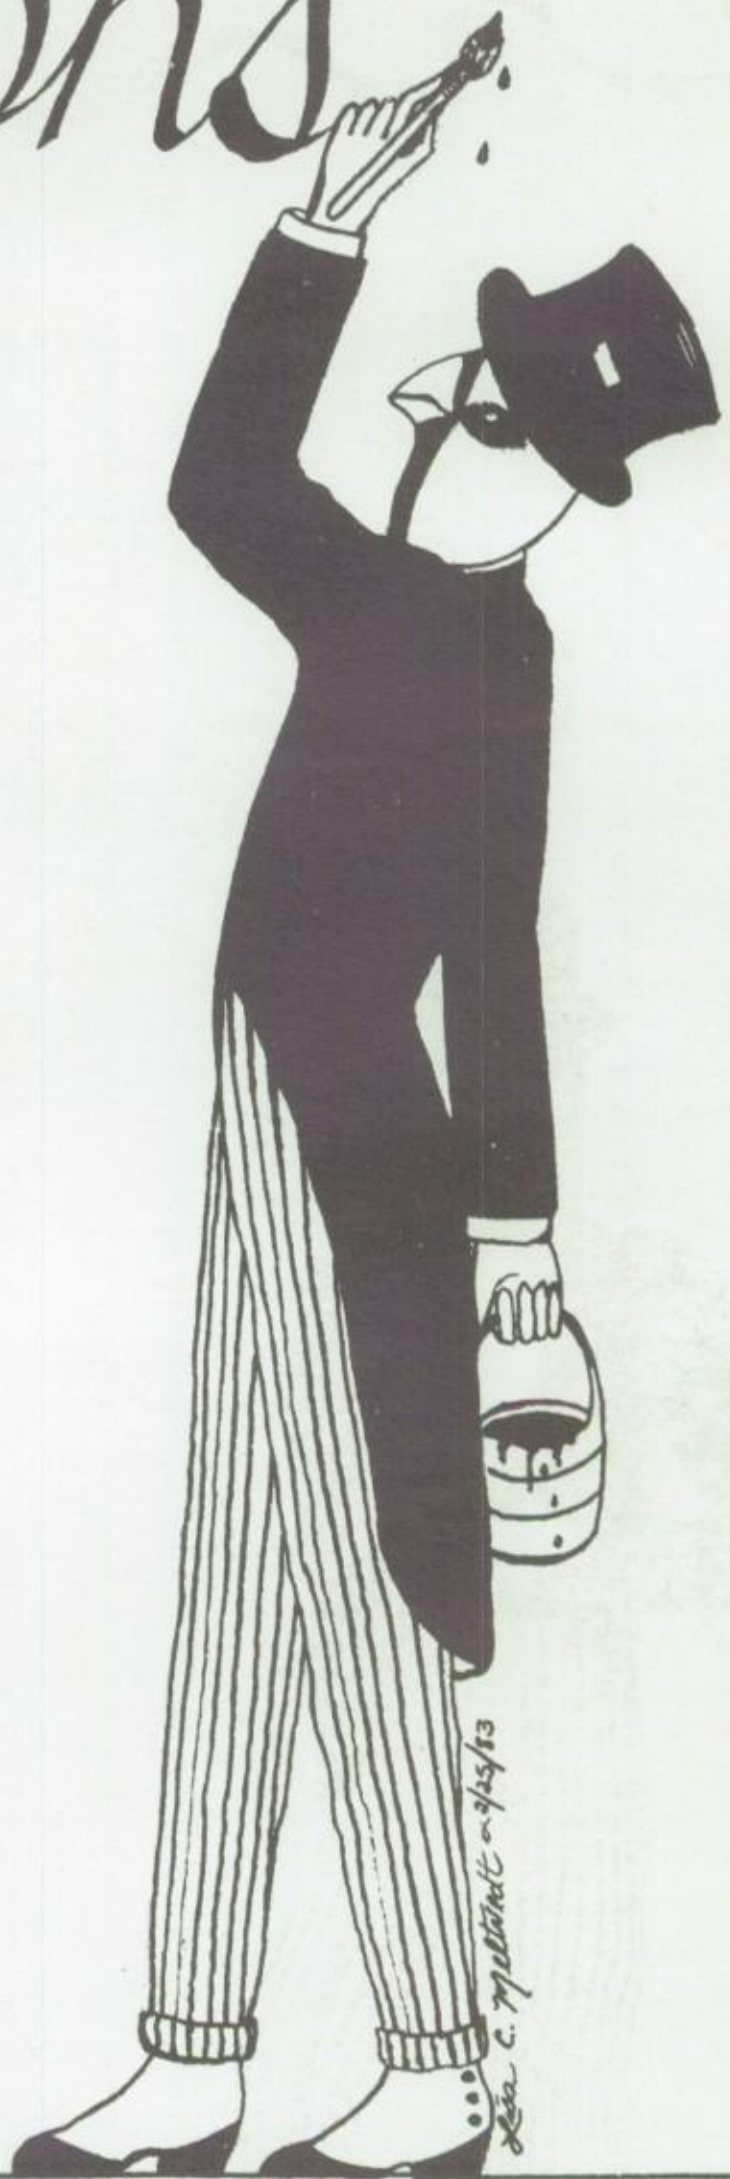

Abel,
Well I can see that
you are one terrific guy.
How can you like Mary?
She's so, so, ugh. Just joking.
Well I hope you had a great
senior year and are successful
in everything you do. Take care
and best of luck.

Class
of
83

Love.

 summer and trouble

AS TIME GOES BY

As time goes by,
childhood memories slowly fade
into a raging sea of reality.
Our hands,
as powerful as the hammer of a
Vulcan,
never hold on tight enough
or
in the darkness hold on too tight.
You have what no other holds,
your own key to adolescence.
Every now and then
delve into the matter of your mind
and relive those summer nights.

Two hands clasp together
on a moon-lit beach
with the waves crashing in a
turbulent
passion.

As time speeds by with no sign of
generosity,
Put your memories into
glass viewing cases
and
protect them with your life.
In dark times
be the light.
Love enlightens all.
Live by the heart.
In the vast empty darkness
you can be the
rose.

MOMENTS IN TIME

Special moments, laughter, tears,
and sometimes precious love
Visions that are clear
envelopes our youthful happy
lives,
A twirling kaleidoscope it seems.

As time goes by
transient as a ray of sunshine
Friendships gained forever bind
will never sever or be forgotten
Treasurer richer than Solomon's
Mines.

Prepared and staunch the foe we
meet
Life's open corridors enriched
A banquet of choices we pursue
each a dream fulfilled, reality.

Time marches on continuously
Farewells are hard to say
and departures even more.
So keep a smile, and look above,
for there is our world of peace.

Farewell,

Sharon Duffy

Abel,
I'm glad I got
to know you. I think
you really nice. Thanks.
God Student / Saw is almost
over. No more Mr. Matthias.
I wish you nothing but
luck in the future.
Michelle

Abel,
I've known you
for four years now,
I remember when we
met in Mr. Crow's Algebra
I class, do you? Well I
don't get in trouble with
him anymore and he doesn't (didn't)
send me to my counselor anymore.
I'm glad we became good friends and
I hope we can stay friends. I'm
sorry that Victor didn't like the idea
of us being friends and going to the
play but oh well, anyway take care
of yourself and good luck in the
future

Love + Friendship,
Claudia Ruño
